

Maths	Reading	Spelling	Word of the week	English/Science
<p>Please refer to your maths fluency book for this weeks homework task.</p> <p>You should also continue to access TTRS this half term. You will continue to become more fluent in the 2, 5 and 10 times tables before we move onto learning new ones.</p>	<p>Please remember that your book and reading record need to be brought into school every day.</p> <p>Your reading record needs to be signed every evening and an adult at home should sign 'finished' when the book is complete. You cannot complete a follow up task or quiz until this has been done.</p> <p>You should be reading for 20+ minutes each day.</p>	<p>Can you learn to read and write:</p> <p>actual actually arrive although accidentally</p>	<p>Our word of the week is...</p> <p>mysterious</p> <p>Can you find out what it means? Are there any synonyms (related words)? Can you use it in a sentence?</p>	<p>As we want to help the girl from 'How the stars came to be' understand her father's fishing habits, I would like you to investigate the moon, its lunar phases its effect on water (tides)!</p> <ul style="list-style-type: none"> - SciShow Kids – Why does the moon change? https://www.youtube.com/watch?v=yXe0yxzYkjo - Moon Song: https://www.youtube.com/watch?v=i235Y2HRksA - https://theconversation.com/curious-kids-how-does-the-moon-being-so-far-away-affect-the-tides-on-earth-105371 <p>Above are some good videos/webpages to get you started...</p> <p>Please produce a poster of your findings and return it by Wednesday 9th November 😊</p>
