

Hello Reception,

These homework activities are things you can do at home to support your learning. They are quick activities, which should only take between 10 and 15 minutes each. Have fun with them.

Homework week beginning 14th March 2022

Listen to a bedtime story every night. Remember to look at the pictures and talk about them.

We are reading a story about penguins. Could you look up photos of penguins on the internet?

What are they doing in the photos?

Maybe you could write a short sentence about what penguins can do, using your sounds to help you.

It can be tricky to write our numbers the correct way round.

Maybe you could practise at home?

We are going to be thinking about spring this week. Can you go for a walk in your local park, and see if you can find any new flowers that are growing?

You might be able to spot some bright yellow daffodils.
