We want to celebrate all our achievements in maths and see what we can independently do. For this week's maths, pick one of the areas you feel least confident in and practise every night using everything we have learned this year. I have included some websites below.</p> <p>Topics:</p> <ul style="list-style-type: none"> • + and – mentally to 100, • column + and -, • column multiplication, • division, • x table facts, division facts, • using x table and division facts to solve number and word problems, • Finding unit and non-unit fractions • Making a whole • Finding equivalent fractions • Adding and subtracting fractions.
