Our Vision and Values

At St. Agnes we believe that although we are all very different we have a way of living, behaving and doing things that allow us to serve as a witness to the Catholic Faith in our Lord Jesus Christ.

Our school motto is: **With Jesus Beside Us We Do Our Best to:**

Believe

We are all valued in God's family and the school family. We **believe** in ourselves and in our abilities.

Persevere

When things get difficult we will **persevere** so that we will grow stronger, realising we can turn to each other and God.

Contribute

We will **contribute** to the life of the school, the parish, the local community and the wider world to which we all belong.

By doing these we will:

Achieve

By being the best we can be, we will **achieve** in making a difference to others and living as God would want us to.

The Education and Inspectors Act 2006 and DfE guidance (Behaviour in Schools, 2012) requires the Governors to make and frequently review, a written statement of general behaviour principles to guide the Head teacher in determining measures to promote good behaviour.

This is a statement of principles, not practice. Practical applications of these principles are the responsibility of the Head teacher.

The Governors at St Agnes Primary School, believe that high standards of behaviour lie at the heart of a successful school that enable children to make the best possible progress in all aspects of their school life. At St Agnes Primary, we value everyone as an individual, capable of growth, change and development. Our relationships are underpinned by the principles of justice, equality, mutual respect, fairness and consistency. We have high expectations that support the development of our pupils as effective and responsible citizens.

The purpose of this statement is to give guidance to the Head teacher in drawing up the Behaviour Policy by stating the principles that the Governors expect to be followed. The governors expect any policy or actions to be in accordance with equality legislation.

Principles:

- All children, staff and visitors have the right to feel safe at all times at school

- St Agnes is an inclusive school. All members of the school community should be free from discrimination of any sort. Measures to protect children should be set out in the Behaviour and Equality policies
- The class rules set with children should be clearly set out in the Behaviour Policy and displayed around school. Governors expect these rules to be consistently applied by all staff
- Governors would like to see a wide range of rewards, consistently and fairly applied in such a way as to encourage and reward good behaviour around school
- Sanctions for unacceptable/poor behaviour should be known and understood by all staff and pupils and consistently applied
- It is recognised that the use of rewards and sanctions must have regard to the individual situation and the individual student and the Head teacher is expected to use her discretion in their use. Sanctions should however be applied fairly, consistently, proportionally and reasonably, taking into account SEND, disability and the needs of vulnerable children, and offering support as necessary
- The Governors strongly feel, that exclusions, particularly those that are permanent, must only be used as the very last resort
- The Governors expect pupils and parents to cooperate to maintain an orderly climate for learning
- The Governors wish to emphasise that violence, threatening behaviour or abuse by pupils or parents towards the school's staff will not be tolerated. If a parent does not conduct himself/herself properly, the school may ban them from the school premises and, if the parent continues to cause disturbance, he or she may be liable to prosecution
- The Governors expect the Head teacher to include guidance on the use of reasonable force, within the Behaviour Policy.
