

Reading	Word of the Week	Spelling	Maths
<p>Please encourage your child to read their reading book independently. Look at the letter sounds/ words on the inside of the front cover first before reading the book. The children should use their letter sounds to help them to read as these are the sounds we have practised so far. They should say the word after sounding it out.</p> <p>When they do, please read for 15 minutes every day. We will change books every Monday and Thursday.</p> <p>Read every night and please sign the</p>	<p>This is our word of the week. Find out what it means. Can you use it in a sentence?</p> <p style="text-align: center;">velvet</p>	<p>Practise reading the red words that have been sent home.</p> <p>Practise spelling them too.</p>	<p>Last week, we looked at greater than, less than and equal to. Greater than means more than or larger than. Less than means smaller or fewer than. Equal to means the same as.</p> <p>Choose a number between 0 and 10. Help your child to find a group of objects that is greater than, less than or equal to the number you gave them.</p> <p>Please sign the Maths fluency record once your child has completed the task.</p>
