

Homework: Week beginning 27.09.22

Reading	Word of the Week	Spelling	Maths
<p>Make sure you are reading for at least 20 minutes every day at home on accelerated reader.</p> <p>I will be giving shoutouts to those who achieve this!</p>	<p>This is our word of the week - find out what it means.</p> <p>Spontaneous</p> <p>Can you use it in a sentence?</p>	<p>Can you learn to read and write these three spellings:</p> <p>Neighbour Symbol Prejudice Individual Criticise</p>	<p>Please complete 15 minutes of TTRS, signed in your fluency book. Times tables are a vital parts of our maths curriculum and provide a grounding for most other areas. Keep up the good work!</p>

Topic

This week we have looked at the term 'Historical evidence' and what this means; including this being split up into primary sources (such as pottery and weapons) and secondary sources (such as biographies and copies of jewellery).

I want you to find 3 examples of primary sources. These can be from any period in history. Examples of these could include a helmet from the Romans era or pottery from ancient Greece. These can be drawn, but have to be written about. Minimum 4 sentences for each.
