### Topic

We have this week finished reading our novel in English 'A Christmas Carol.' We know that the three Ghosts in the story (Ghosts of Christmas Past, Present and Future) appeared to Ebenezer Scrooge and changed his feelings about his past, his future and about Christmas itself. If you were one of the Ghosts what would you have looked like? What would you have said to Scrooge, or where would you have taken him?

This is to be written as two paragraphs. One explaining what you look like and where you would take Scrooge on that fateful night, and the other detailing what you would have said to him throughout the experience.
